alarm

NEW
AUDIBLE
unlatched
alarm

NEW Visual "unlatched" alarm

Flashing LED lights give visual notification if the latch is opened or the gate is left unlatched.

NEW Audible "unlatched" alarm

An audible beep upon each entry or exit of a gate. Full alarm sounds only after 15 seconds of a gate being left open or unlatched.

NEW Rekeyable security lock

The 6-pin lock cylinder can be rekeyed, by a locksmith, to match other locks around the home (e.g. front door).

NEW Visible Lock Indicator

A "red-dot" indicator shows at-a-glance whether the latch is locked or unlocked. Simple peace-of-mind.

NEW Optional disarm Feature

The touch-sensor disarm feature allows you to temporarily disarm the ALERT for up to 15 minutes. DO NOT use the disarm feature on pool or safety gates.

NEW Ergonomic lift knob

With its new design, the lift knob is now more conveniently shaped and child resistant than ever.

DIMENSIONS

MagnaLatch® has set the standard for child safety gate latches for more than 25 years. Millions of families and caregivers worldwide have trusted MagnaLatch with their children's safety. Now the **MagnaLatch**® **ALERT** models set entirely new levels of safety and peace-of-mind for gates

around swimming pools, homes, childcare centers, schools and wherever child safety is critical. It offers dual electronic warnings: bright, flashing LED lights, and an audible alarm that sounds if a gate is left unlatched. Owners and users can see at a glance, and hear from a distance, whenever a gate is not fully secured.

The Top Pull model is ideal for all child and pool safety applications, while the shorter Vertical Pull model offers added security around side, front and pet gates (see over). A single beep upon each entry or exit warns of visitors or intruders. The **MagnaLatch**® **ALERT** is the ultimate gate latch – when you can't turn your back for a second.

Because you can't turn your back for a second

PRODUCT FEATURE VIDEO

- World's **ONLY** combined safety gate latch and electronic alarm
- The same advanced safety features as the MagnaLatch 'Series 3'
- Visual and audible alarms (flashing LEDs & sound alerts)
- Alarms notify if gate is open or not securely latched
- Single alert beep each time gate is entered/exited
- Full alarm mode if gate left open 15 seconds
- Optional: Touch-sensor disarm feature
- Long-life lithium battery included
