

THE GATE CLOSER SPECIALISTS

Lokk Bolt - DropBolt Lockable Security Drop Bolt

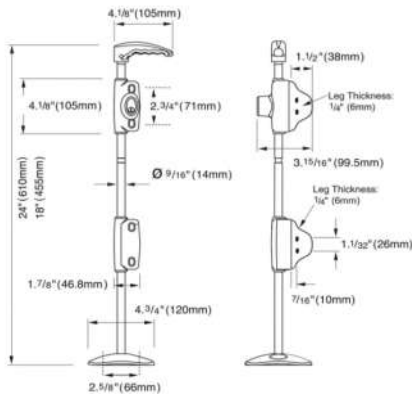

The Lokk Bolt security drop-bolt is a superbly stylish and long lasting privacy and security drop-bolt. It is key-lockable with a bolt length of 24" (610mm).

This model is quick and simple to install on metal gate and fence materials, there are special models available for timber and vinyl gates that have special fixing points for added strength.

Clever bolt retention grooves mean this drop-bolt will never drop, drag, bend or grind across driveways.

An optional Base Plate offers added strength to the securing ground hole.

The 6-Pin lock mechanism is re-keyable and can be keyed-alike with other D&D products with 6-Pin locks by a locksmith.
